08/13/2024		BMW of North America, LLC	Manufacturer Safety recall issued - NHTSA #24V-608 - Recall #24V-608:474 ENGINE COOLANT PUMP - Status: Remedy Available Need more information about this recall? Find an authorized BMW dealer, email CustomerRelations@bmwusa.com, or call 1-800-525-7417  Learn more about this recall

Description: The electrical connector of the engine coolant pump could become damaged. Small drops of liquid from the positive crankcase ventilation (PCV) system could drip down onto the electrical connector of the pump.

Over time, this could lead to a short circuit and, in rare cases, a thermal event or a fire.

Remedy: The engine coolant pump, and the connector, will be inspected and, if necessary, replaced, and a shield will be installed to divert any fluid that might drip down onto the pump, for free which should take about one hour.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Fleet Vehicle

Vehicle was registered or sold to a company that manages vehicle fleets.

Lease

When someone leases a car from a dealer, the dealer actually sells the vehicle to a leasing company. The leasing company then collects payments for the vehicle from the new owner for 24, 36, 48 or more months. A leasing company can be an independent car dealer or a car manufacturer.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
