06/05/2026		American Honda Motor Co.		Manufacturer Safety-related recall issued - NHTSA #26V-366 - Recall #DOV 2023-26 Accord Hyb/CR-V Hyb/FC Tire Repair Kit Recall - Status: Remedy Available Locate an authorized Honda dealer to obtain more information about this recall ● Learn more about this recall
Description: American Honda Motor Co., Inc. (Honda) is recalling certain 2023-2026 Accord Hybrid, 2025-2026 CR-V FCEV and 2023-2026 CR-V Hybrid vehicles. If the flat tire repair kit is operated with the nozzle improperly connected to the tire valve, pressure may build within the sealant bottle. If the relief valve does not release pressure as designed, excessive pressure may accumulate, potentially causing the bottle cap to detach. If the bottle cap detaches, the risk of injury is increased. Remedy: Parts are available in limited supply. Registered owners of all affected vehicles will be contacted by mail and asked to take their vehicle to an authorized Honda dealer. The dealer will replace the tire repair kit nozzle or sealant bottle. Owners who have paid to have these repairs completed at their own expense may be eligible for reimbursement. in accord with the recall reimbursement plan on file with NHTSA. For additional questions, owners may contact American Honda's Customer Support & Campaign Center at 1-888-234-2138.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Repossession

When a repossession occurs a vehicle owner fails to make loan payments, and the financial institution holding the title takes possession of the vehicle.

Taxi

Vehicle was registered as a taxi or "for hire" vehicle.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
